

**"RESTORING AND PROTECTING TENNESSEE'S
STATE SOVEREIGNTY"**

RESOLUTION: KFF_08/19/23

We the citizens of Tennessee attending the Knox for Liberty Freedom Fest on August 19, 2023 do here by pledge our support for the Tennessee legislature to pass legal and binding legislation that would create a process in which the Governor, Tennessee Judges, the Tennessee Assembly, Tennessee Cities and Counties, and We The People can invoke Nullification when it is determined by the state of Tennessee (the final arbiter of the Constitution) that the federal government has overstepped its enumerated authorities as set forth in Article 1 Section 8 of the US Constitution or an action by the federal government has been determined to be unjust.
